VARIMEX Trading Company 1952 Purchase Plan

25X1A

25X1X

25X1A

Enclosure to [REDACTED] consists of a carbon copy of a list, which is supplementary to [REDACTED] and is the official import program, and as such is assumed to be accurate.

25X1A

The document lists medical and surgical instruments, equipment, and supplies set up under the following headings: 1) item number, 2) medical catalogue number, 3) amount, 4) description of article, 5) prospective or former seller-country, 6) miscellaneous information.

The main divisions are: Anatomy, General Surgery, Surgery Necessitated by Accident, Gynecology and Obstetrics, Medical Equipment and Sanitary Utensils, General Medicine, Neurosurgery, Eyes, Otorhinolaryngology, Otolaryngology, Specifications for Dental equipment and general Equipment.

Footnotes indicate the seller country, probable amount it is able to supply, and comments on the quality.

Foreign language document or microfilm (No A 8199) thereof is available from
STATOTHR CIA Library, [REDACTED]
